

School Board of Highlands County

Our vision of the student experience in Highlands is that students have daily access to:

- 1.** Grade-appropriate assignments with high quality questions.
- 2.** Strong instruction where students do most of the thinking of the lesson.
- 3.** Deep engagement where students believe the work they are doing is relevant and connected to a larger purpose.
- 4.** A teacher that holds high expectations and believes that students can meet grade-level standards.
